## What guests have to say..

- Beautiful bar and acts! You can see that the bar is decorated with love. The bar team is super friendly!
- The acts were amazing and the host was super funny. The bar girls decorated the chair of the Birthday Girl and were so helpfull overall (we asked for extra candles, and they arranged this last minute!) We had the best time!
- This bar makes you feel glamorous: the new hotspot in Antwerp!
- With eye for detail, the Burlesque bar squad makes you feel at home and takes care of everything, so you can just relax and have FUN! The only thing I had to 'worry about' was dressing up and showing up :-)

WELCOME AT BURLESQUE BAR: LETS PARTY LIKE GATSBY 😊
